12.04.2010

On behalf of all employees of the companies belonging to the PGE Capital Group, we would like to take this opportunity to convey our heartfelt condolences to the families and friends of the victims of the presidential plane crash in Smolensk, Russia of 10 April 2010. It is an unimaginable tragedy. A tragedy for all Poles.

[Less nitrogen oxides in Opole \(/Press-Center/Press-releases/Others/Less-nitrogen-oxides-in-Opole\)](#)

10.04.2010

PGE Elektrownia Opole SA has just completed the process of commissioning a flue gas denitrification plant installed on its coal-fired power generation unit. The first such installation in Poland's power generation sector, it will allow the Opole Power Plant to meet the EU requirements concerning nitrogen oxide emissions much ahead of the deadline of 31 December 2015.
