**INDEPENDENT AUDITORS' REPORT  
ON REVIEW OF THE INTERIM  
FINANCIAL INFORMATION OF  
PGE POLSKA GRUPA ENERGETYCZNA S.A.  
FOR THE PERIOD  
FROM 1 JANUARY 2011 TO 30 JUNE 2011**

To the Shareholders of PGE Polska Grupa Energetyczna S.A.

*Introduction*

We have reviewed the accompanying condensed separate statement of financial position of PGE Polska Grupa Energetyczna S.A., with its registered office in Warsaw, Mysia 2 as at 30 June 2011, the condensed separate income statements, statements of comprehensive income, changes in equity and cash flows for 6 month period then ended and selected explanatory notes ("the condensed separate interim financial information").

Management is responsible for the preparation and presentation of these condensed separate interim financial information in accordance with the International Accounting Standard 34 *Interim Financial Reporting* ("IAS 34"). Our responsibility is to express a conclusion on these condensed separate interim financial information, based on our review.

*Scope of Review*

We conducted our review in accordance with the national standard on auditing no. 3 *General principles of review of the financial statements/condensed financial statements and conducting of other assurance services* and the International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

*Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed separate interim financial information of PGE Polska Grupa Energetyczna S.A. as at 30 June 2011 is not prepared, in all material respects, in accordance with IAS 34.

*Emphasis of matter*

Without qualifying our report, we draw attention to the information presented in Note 12.2 of the explanatory notes to the condensed separate interim financial information in which the Management Board describes the uncertainty relating to future settlement of prepayments made by the Company resulting from the execution of the agreement described in the above mentioned Note.
