In order to ensure their participation in the General Meeting, the Shareholder should require not earlier than after the announcement of the convening of the General Meeting, i.e. not earlier than on 15 November 2016 and not later than on the first business day after the date of the registration of participation in the General Meeting, i.e. not later than on 29 November 2016, that the entity managing their securities account issue a name-bearing certificate of entitlement to participate in the General Meeting.

The list of the Shareholders entitled to participate in the General Meeting will be made available by the Management Board in the Company's registered office at 2 Mysia Street, 00-496 Warsaw, on the three consecutive business days before the date of the General Meeting, i.e. on 9, 12 and 13 November 2016 from 9.00 a.m. to 3.00 p.m., in Management Board Office (floor 2).

The Company's Management Board announces that the Shareholder may request that the list of the Shareholders be sent to them by electronic mail, free of charge. The Shareholder requesting that the list of the Shareholders be sent to them should specify an electronic mail address to which the list should be sent. Such request may be sent by electronic mail to the Company's e-mail address: wza@gkpge.pl.

The Management Board announces that the Shareholder has the right to participate in the General Meeting and exercise the voting right in person or by proxy. The Shareholder's proxy exercises all rights of the Shareholders unless the text of the proxy stipulates otherwise. The proxy may grant further proxies unless the text of the proxy stipulates otherwise. One proxy may represent more than one Shareholder. In such case, the proxy may vote differently with respect to shares held by each Shareholder. If the Shareholder holds shares registered in more than one securities account, they may appoint a proxy to exercise the rights related to shares registered in each such account.

A proxy to participate in the General Meeting and exercise the voting right should be drawn up in writing or an electronic format.

In order to identify the Shareholder granting a proxy and the Proxy representing such Shareholder, a document granting a proxy should be accompanied by the following:

- a) in the case of the Shareholder who is a natural person – a copy of their identity card, pages from a passport allowing identification or any other official document certifying such Shareholder's identity;
- b) in the case of the Shareholder who is not a natural person - a copy of a current extract from a proper register or any other document certifying the existence of such Shareholder or the right of its representative or representatives to represent such Shareholder, together with copies of an identity card, pages from a passport allowing identification or any other official document certifying the identity of such representative or representatives authorized to represent such Shareholder;
- c) in the case of the Proxy who is a natural person – a copy of their identity card, pages from a passport allowing identification or any other official document certifying such Proxy's identity;
- d) in the case of the Proxy who is not a natural person - a copy of a current extract from a proper register or any other document certifying the existence of such Proxy or the right of its representative or representatives to represent such Proxy, together with copies of an identity card, pages from a passport allowing identification or any other official document certifying the identity of such representative or representatives authorized to represent such Proxy;

In the case of foreign entities in whose countries of registration relevant registers are not kept, instead of a copy of a current extract from a register referred to in letters b) and d) above, a copy of a document certifying the existence of a given entity or the right of its representative or representatives to represent such entity should be presented.

In the event of doubts concerning the authenticity of the copies of the documents referred to above, the Management Board reserves the right to demand before the beginning of the General Meeting the presentation of the originals of the said documents or their copies certified by a notary public, legal advisor or any other entity authorized to certify true copies of documents. If such documents are not presented, a Proxy of the Shareholder may not be allowed to participate in the General Meeting.

All documents referred to above which are drawn up in a foreign language should be accompanied by a proper certified translation into the Polish language drawn up by a sworn translator.

If a proxy to participate in the General Meeting and exercise the voting right granted by the Shareholder is a conditional proxy, it should be accompanied by documentary evidence that a particular condition has been fulfilled.

A proxy granted in an electronic format shall not have to be accompanied by a secure electronic signature verified by means of a valid qualified certificate. The Company should be notified of the fact of granting a proxy in an electronic format using the electronic means of communication. Such notification must be sent by electronic mail to the Company's e-mail address: wza@gkpge.pl. Such notification should be accompanied by a scanned copy of a granted proxy and scanned copies of the documents referred to in letters a), b), c) and d) above. Such notification should also include also an electronic mail address at which the Company may contact the Shareholder or the Proxy. The Management Board shall have the right to verify submitted notifications and to take action aiming at the identification of the Shareholder or the Proxy and the confirmation of their authorization. Such verification may consist, in particular, in asking questions of the Shareholder or the Proxy by telephone or electronic mail. The above principles shall apply to a change in or revocation of the granted proxy. Notifications which do not meet the requirements referred to above shall not result in any legal consequences for the Company. The Company shall not be liable for any errors in proxy forms or actions of people using proxies. At the request of the Company or a person (persons) appointed by the Company to register the Shareholders, a Proxy appearing in the General Meeting is obliged to present the documents attached to the notification referred to above.

In the case of foreign entities in whose countries of registration relevant registers are not kept, instead of a scanned copy of a current extract from a register, a scanned copy of a document certifying the existence of a given entity or the right of its representative or representatives to represent such entity should be presented.

In the event of doubts concerning the authenticity of the documents referred to above, the Management Board reserves the right to demand before the beginning of the General Meeting the presentation of the originals of the said documents or their copies certified by a notary public, legal advisor or any other entity authorized to certify true copies of documents. If such documents are not presented, a Proxy of the Shareholder may not be allowed to participate in the General Meeting.

All documents referred to above which are drawn up in a foreign language should be accompanied by a proper certified translation into the Polish language drawn up by a sworn translator.

The Management announces also that if the Shareholder grants a proxy together with a voting instruction, the Company will not verify if Proxies exercise the voting rights in accordance with instructions received from the Shareholders. Therefore, a voting instruction should be given to the Proxy only.
