NOTES

The Shareholders who want to give a voting instruction are asked to do it by putting "X" in the correct field.

In the event of marking "others", the Shareholders are asked to put in this field a detailed instruction concerning the exercise of the voting right by the Proxy in case other draft resolutions are proposed by the Shareholders attending the General Meeting.

If the Shareholder decides to vote differently on a particular resolution, the Shareholder is asked to specify in the correct field the numbers of shares with respect to which the Proxy is to vote for or against a resolution, or to abstain from voting. If such numbers of shares are not specified, it is presumed that the Proxy is entitled to vote in a given manner with respect to all shares held by the Shareholder. In no event can the sum of the shares in the Company covered by an instruction concerning different voting exceed the total number of shares held by the Shareholder.

The drafts of the resolutions to be adopted with respect to the particular items of the agenda of the General Meeting constitute enclosures to these instructions.

The drafts of the resolutions attached to these instructions may be different from the drafts of the resolutions submitted for voting at the Extraordinary General Meeting. In order to avoid doubts concerning the manner of voting by the Proxy, the Shareholders are asked to specify in the field "others" how the Proxy should act in the situation referred to above.
