## ADDITIONAL INFORMATION

### Identification:

In order to identify the Shareholder granting a proxy and the Proxy representing such Shareholder, a document granting a proxy should be accompanied by the following:

- a) in the case of the Shareholder who is a natural person – a copy of their identity card, pages from a passport allowing identification or any other official document certifying such Shareholder's identity;
- b) in the case of the Shareholder who is not a natural person - a copy of a current extract from a proper register or any other document certifying the existence of such Shareholder or the right of its representative or representatives to represent such Shareholder, together with copies of an identity card, pages from a passport allowing identification or any other official document certifying the identity of such representative or representatives authorized to represent such Shareholder;
- c) in the case of the Proxy who is a natural person – a copy of their identity card, pages from a passport allowing identification or any other official document certifying such Proxy's identity;
- d) in the case of the Proxy who is not a natural person - a copy of a current extract from a proper register or any other document certifying the existence of such Proxy or the right of its representative or representatives to represent such Proxy, together with copies of an identity card, pages from a passport allowing identification or any other official document certifying the identity of such representative or representatives authorized to represent such Proxy;

In the case of foreign entities in whose countries of registration relevant registers are not kept, instead of a copy of a current extract from a register referred to in letters b) and d) above, a copy of a document certifying the existence of a given entity or the right of its representative or representatives to represent such entity should be presented.

In the event of doubts concerning the authenticity of the copies of the documents referred to above, the Company or a person appointed by the Company to register the Shareholders reserves the right to demand before the beginning of the General Meeting the presentation of the originals of the said documents or their copies certified by a notary public or any other entity authorized to certify true copies of documents. If such documents are not presented, a Proxy of the Shareholder may not be allowed to participate in the General Meeting.

All documents referred to above which are drawn up in a foreign language should be accompanied by a proper certified translation into the Polish language drawn up by a sworn translator.

If a proxy to participate in the General Meeting and exercise the voting right granted by the Shareholder is a conditional proxy, it should be accompanied by a documentary evidence that a particular condition has been fulfilled.

### A proxy granted in the electronic format:

A proxy to participate in the General Meeting and exercise the voting right may be granted in an electronic format. A proxy granted in an electronic format shall not have to be accompanied by a secure electronic signature verified by means of a valid qualified certificate. The Management Board should be notified of the fact of granting a proxy in an electronic format using the electronic means of communication. Such notification may be sent by electronic mail to the Company's e-mail address: [wza@gkpge.pl](mailto:wza@gkpge.pl). Such notification should be accompanied by a scanned copy of a granted proxy and scanned copies of the documents referred to in letters a), b), c) and d) above. Such notification should also include also an electronic mail address at which the Company may contact the Shareholder or the Proxy. The Management Board shall have the right to verify submitted notifications and to take action aiming at the identification of the Shareholder or the Proxy and the confirmation of their authorization. Such verification may consist, in particular, in asking questions of the Shareholder or the Proxy by telephone or electronic mail. The above principles shall apply to a change in or revocation of the granted proxy. Notifications which do not meet the requirements referred to above shall not result in any legal consequences for the Company. The Company shall not be liable for any errors in proxy forms or actions of people using proxies. At the request of the Company or a person (persons) appointed by the Company to register the Shareholders, a Proxy appearing in the General Meeting is obliged to present the originals of the documents attached to the notification referred to above.

In the case of foreign entities in whose countries of registration relevant registers are not kept, instead of a scanned copy of a current extract from a register, a scanned copy of a document certifying the existence of a given entity or the right of its representative or representatives to represent such entity should be presented.

In the event of doubts concerning the authenticity of the documents referred to above, the Company or a person appointed by the Company to register the Shareholders reserves the right to demand before the beginning of the General Meeting the presentation of the originals of the said documents or their copies certified by a notary public or any other entity authorized to certify true copies of documents. If such documents are not presented, a Proxy of the Shareholder may not be allowed to participate in the General Meeting.

All documents referred to above which are drawn up in a foreign language should be accompanied by a proper certified translation into the Polish language drawn up by a sworn translator.

If the Shareholder grants a proxy together with a voting instruction, the Company will not verify if Proxies exercise the voting rights in accordance with instructions received from the Shareholders. Therefore, a voting instruction should be given to the Proxy only.

## **NOTES**

The Shareholders who want to give a voting instruction are asked to do it by putting "X" in the correct field.

In the event of marking "others", the Shareholders are asked to put in this field a detailed instruction concerning the exercise of the voting right by the Proxy in case other draft resolutions are proposed by the Shareholders attending the General Meeting.

If the Shareholder decides to vote differently on a particular resolution, the Shareholder is asked to specify in the correct field the numbers of shares with respect to which the Proxy is to vote for or against a resolution, or to abstain from voting. If such numbers of shares are not specified, it is presumed that the Proxy is entitled to vote in a given manner with respect to all shares held by the Shareholder. In no event can the sum of the shares in the Company covered by an instruction concerning different voting exceed the total number of shares held by the Shareholder.

The drafts of the resolutions to be adopted with respect to the particular items of the agenda of the General Meeting constitute enclosures to these instructions.

The drafts of the resolutions attached to these instructions may be different from the drafts of the resolutions submitted for voting at the Extraordinary General Meeting. In order to avoid doubts concerning the manner of voting by the Proxy, the Shareholders are asked to specify in the field "others" how the Proxy should act in the situation referred to above.
